Scheduling

- Units can request unit specific training outside of the prescheduled courses
- Contact DVSU POC for scheduling unit only training

Registration

- Submit FR Form 28 signed by unit approving authority to Military School, bldg. 8388, Armistead Drive, 239-9038 or send the electronically signed form to usarmy.riley.1-id.mbx.military-schools-and-troop-school@mail.mil

Prerequisites

Prerequisites are required for all certification (DoD 8570) courses and must be completed prior to enrollment

- Army E-learning modules at https://usarmy.skillport.com >Catalog>Army Custom Curricula>1ID DVSU
- Information Assurance Fundamentals Training Course (previously called IASO course) at https://ia.signal.army.mil. Using AKO or CAC logon, go to courses and click on the Information Assurance Fundamentals link (under Ft Gordon Online Courses).
- Signed Acceptable Use Policy (AUP) uploaded in Army Training and Certification Tracking System (ATCTS).
- MeasureUp Pre-assessments at: http://dod.measureup.com. Once complete, with a score of at least 80% or better, the student needs to email a copy of the results to themselves for uploading at the beginning of training. Must be completed within 30 days of class starting.
- Non-1ID personnel are only required to complete Skillport course. Any other prerequisites are at the determination of local Commander.

Failure to complete prerequisites may result in loss of reserved seat

Costs

- There is no charge/cost/fee to attend the course.
- DVSU will provide books for the course and the books will not go home with student.
- If a student is attending a course to participate in Danger's Voice Certification Program and not receive certification, the only requirements are the prerequisites listed on previous slide.
- 1ID allocated funds for vouchers for 1ID Signal Soldiers only. All others attending the course must obtain a voucher through their unit/organization or purchase the voucher through either an approved online vendor such as Pearson Vue or the student may purchase the voucher the day of testing using a credit card.
